REHABILITATION QUESTIONNAIRE

The Wisconsin Insurance Plan can insure properties for up to one year while they are undergoing rehabilitation, including major exterior, interior and/or structural improvements.

The work must either be in progress, or the work must begin no later than 30 days after the effective date of coverage. The property must be secured. If the work is not completed and/or the property is not occupied 90 days prior to the end of the term, and we are not notified in writing, the policy will be non-renewed. **NO EXCEPTIONS**
